Ex 20:3 Thou shalt have no other gods before me.

Islam is the second largest religion in the world having over 1.6 billion professors. It is also the fastest growing religion in America. Islam originated from the teachings of a “so-called” holy man and political leader named Muhammad. The followers of Islam, (often called Muslims) consider Muhammad God’s last and greatest prophet. They teach that Muhammad was Jesus Christ’s successor, and that he was actually greater than Jesus.

Like Christianity, they too have a holy book (which isn’t holy at all) called the Koran. The Koran is more or less the words and deeds of Muhammad. Muhammad would go into a demonic trance and start speaking what the demons were telling him and his scribes or whoever was around would write them down. The demon told Muhammad that he was Gabriel.

Muslims teach that the Jews and Christians distorted the true faith and it was restored by Muhammad. They teach that outside of Islam there is no salvation. We teach that outside of Christ there is no salvation.

For those of you that think the Christian and the Muslim worship the same God, you are wrong. Did you know that Muslims teach that Jesus Christ was not crucified? That it was someone else that died on the cross? Guess what? If there was no crucifixion, there wasn’t a resurrection - therefore none of us are saved! Did you know that the Koran teaches that Allah didn’t have a son? That’s good, because he didn’t! You have to actually exist to do things like that.

History proves that before Islam came into existence the Sabeans in Arabia worshiped the moon god who married the sun goddess, who gave birth to three goddesses. They were called Al-lat, Al-uzza, and Manat. They later became idols. The moon god was the Muslims cherished Allah. He was just one of the 360 idols in the Kabah in Mecca. You had better believe that Muhammed knew all about this. All you have to do is open your eyes, the crescent moon is everywhere in Islam. Even Ramadan begins and ends with the crescent moon.

Muhammad wanted to create his own religion. He needed the backing of his powerful tribe, so he picked Allah, the Moon-god which they worshipped, to be the one god. And he declared himself to be Allah's prophet.

In the 1950's a major temple to the Moon-god was excavated at Hazor in Palestine. Two idols of the Moon-god were found, proving Allah was a pre-Islamic pagan deity. A photo of Allah can be seen sitting on a throne with a crescent moon on his chest. Allah is not the God of the Bible, he is nothing more than the pagan moon god of the Arabians.

I am not saying that every professing Muslim is a terrorist or potential Jihadist, but I will say that if all Muslims were to truly follow the teachings of Islam they would be Jihadists.

Fortunately, it is my observation that there are as many hypocrites in Islam as there is in Christianity, and possibly more. Most of America's and Europe's wannabe Muslims have no idea what they believe. They have no idea who Muhammad really was, or what actually lies within the Koran. They like the sound of the words Assalamu Alaikum which is a familiar greeting between Muslims. It means - peace be upon you, but of course that's only if you're a Muslim. Many rebellious college students like the idea of warring against America and calling her The Great Satan. I personally don't have a problem with anyone calling us the Great Satan just as long as they'll move to Iran and do it. If you don't like it here - get out!

There are 5 duties required of every true practicing Muslim - they are called the five pillars of Islam. The vast majority of "professing" Muslims have no idea what they are and I'm not just talking about American wannabe's; I'm talking about Middle Eastern wannabe's. Most of the so-called Muslims I meet on the campuses or out on the street have a very limited knowledge of what Islam is all about. For a huge number of Muslims, their religion is nothing more than a

style or fad; a way to be in with the “in” crowd.

I believe everyone has the right to worship whoever and whatever they want. I believe every man has the right to go to hell if they so desire, so I’m not arguing their right to worship whatever god they desire.

The main thrust of this lesson is show you that the god of Islam is not the God of Christianity. Allah, the God of Islam, is in fact the Arabian moon god who married the sun goddess – the stars are supposedly their offspring. Allah and the God of the Christian Bible (Jehovah) are not the same God. Allah is the moon god, Jehovah made the moon, the sun, and the stars. If Christianity is true, all of those that practice Islam will be eternally separated from God. They will be cast into an eternal lake of fire.

I want to take just a few minutes to point out a few things most people don’t know.

There is a lot that can be said about Muhammad and his wicked religion, but I only want to point out a few that most people simply don’t know.

### I. Muhammad Had Sex With a Nine Year Old Child.

Did you know that 51 year old Muhammad married a 6 year old child named Aisha and had sex with her when she was 9? A 54 year old man having sex with a 9 year old girl. That shakes me to the core - I have a 6 year old child. Muhammad wasn’t a holy man, he was a sick, perverted pedophile. A lot of Muslims will say, “It isn’t pedophilia if it is accepted in that custom.” So cannibalism isn’t murder if it’s accepted culturally? Are they saying that raping little boys and girls isn’t child molestation if it’s the accepted practice? I don’t care how you look at it, Muhammad was a sick twisted pedophile.

This is well documented in Muslim Hadiths. Hadiths are oral traditions relating to the words and deeds of Muhammad. Hadith collections are regarded as important tools for determining the Sunnah, or Muslim way of life. For those who think I’m making this up, I’ll list a couple different places Hadiths expose Muhammed as a pedophile:

A. Sahih Buhari 5.236.

Narrated Hisham's father:

Khadija died three years before the Prophet departed to Medina. He stayed there for two years or so and then he married 'Aisha when she was a girl of six years of age, and he consummated that marriage when she was nine years old.

B. Sunan Abu-Dawud Book 41, Number 4915 Through 4917.

A Hadith Narrated by Aisha herself:

The Apostle of Allah (peace\_be\_upon\_him) married me when I was seven or six. When we came to Medina, some women came. according to Bishr's version: Umm Ruman came to me when I was swinging. They took me, made me prepared and decorated me. I was then brought to the Apostle of Allah (peace\_be\_upon\_him), and he took up cohabitation with me when I was nine. She halted me at the door, and I burst into laughter.

For the sake of time, I only listed 2 examples, there are several more places that reveal this occurrence. Please, remember that I am reading from Muslim hadiths and not from a Christian publication.

Do you think a man who has sex with 9 year old babies is a holy prophet - a messenger of God? I hope not, cause that doesn't say much about you if you do. I like to encourage every Muslim to give your life to Jesus Christ - He is the true Savior. You can trust your babies with Him; He will never rape or molest them. Most of all, you can trust Him with your soul.

II. Islam Is Not a Peaceful Religion.

Ever since 9/11, Muslim leaders who have access to the national media have told us that Islam is a religion of peace and love and that violence does not represent the essence of Muhammad's religion.

Even President Bush has repeated this assertion, saying that Islam has been "hijacked" by a few violent fanatics. But is this true? I think the facts say, "No"! We don't have to travel far to find these facts, merely examine Muhammad and the Koran.

### A. Muhammad Was a Violent Man.

According to Tabari (AD 839-923), an early Muslim historian who is considered largely reliable by scholars today, said Muhammad's nickname was "The Obliterator". I wonder why? Could it be because he named the weapons that he slew countless people with? Could it be because he had over 600 people brutally decapitated?

Let us look at a passage concerning Jesus:

Isa 53:7 He was oppressed, and he was afflicted, yet he opened not his mouth: he is brought as a lamb to the slaughter, and as a sheep before her shearers is dumb, so he openeth not his mouth.

Muhammad was violent, Christ was loving, kind, and peaceful.

### B. The Koran Permits Husbands to Beat Their Wives.

Q4:34 Husbands should take full care of their wives, with [the bounties] God has given to some more than others and with what they spend out of their own money. Righteous wives are devout and guard what God would have them guard in the husbands' absence. If you fear high-handedness from your wives, remind them [of the teaching of God], then ignore them when you go to bed, then hit them. If they obey you, you have no right to act against them. God is

most high and great. (Haleem)

I'm sure this passage is pleasing to all wife beaters. What does the Bible say about husbands and wives?

Eph 5:25 Husbands, love your wives, even as Christ also loved the church, and gave himself for it;

I'd say there's a little contrast, wouldn't you?

Muslim Book 4, Hadith Number 2127 states that Muhammad practiced what he preached:

"He [Muhammad] struck me [Aisha] on the chest which caused me pain."

C. Muhammad and the Koran Promise a Garden Full of Virgins For Any Who Die Fighting For Allah or Muhammad.

Throughout the Quran, Muhammad promises the men in his fledgling Muslim community that if they die fighting for Allah and for him, Allah will reward them with a "virgin-rich" Garden (Koran 44:51-56; 52:17-29; 55:46-78). Today, the commonly accepted number of virgins is 72.

In the following Quranic passage, which can be cross referenced with several others (Suras 4:74, 9:111; 3:140-143), the Arabic word "jihad" means - the means or currency to trade in this life for the life to come in an economic bargain.

Koran 61:10 You who believe, shall I show you a bargain that will save you from painful punishment? 11 Have faith in God and His Messenger and struggle [j-h-d] for His cause with your possessions and your persons—that is better for you, if only you knew—12 and He will

forgive your sins, admit you into Gardens graced with flowing streams, into pleasant dwellings in the Gardens of Eternity. That is the supreme triumph. (Haleem)

These verses are found in the historical context of the Battle of Uhud (625), in which Muhammad lost 70 of his fighters. Because of that, he had to make the loss of their lives appear worth the sacrifice, so he contrived a holy bargain for those that died fighting for him. If his jihadists trade in or sell their lives down here, they will be granted Islamic heaven—it is a done deal. That's what the Koran states.

Allah grants Muslims 72 virgins to all Jihadists. Heaven is more or less one gigantic orgy for these martyred heroes. Let's look at what Christ said:

Mt 22:30 For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in heaven.

D. Muslims Are Commanded to Kill All Infidels.

If our friendly, brotherly Muslims actually practice what their holy book teaches, all of us American and Jewish infidels are in danger of being killed.

Q9.29: Fight those who do not believe in Allah, nor in the latter day, nor prohibit what Allah and His Apostle have prohibited, nor follow the religion of truth, out of those who have been given the Book (Bible), until they pay the tax in acknowledgment of superiority and they are in a state of subjection.

Here, the Koran teaches Muslims to fight against those that don't believe as they do. Have you ever wondered why these terrorists seem to love cutting the heads off of people? Let us read from the Koran again:

Q8.12: When your Lord revealed to the angels: I am with you, therefore make firm those who believe. I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them.

### III. Their Attitude Toward Christians.

Q9.30: And the Jews say: Ezra is the son of Allah; and the Christians say: The Messiah is the son of Allah. These are the words of their mouths. They imitate the saying of those who disbelieved before. May Allah destroy them; how they are turned away!

Is there any question of what the Koran teaches concerning Christ and Christianity? The Koran says that Christians are just spouting words from their mouths when they say Christ is the Messiah.. It teaches that Allah will destroy all who believe such blasphemous teachings.

#### A. Muhammad Denies Christ's Crucifixion.

Q4.157: And their saying: Surely we have killed the Messiah, Isa son of Marium, the apostle of Allah; and they did not kill him nor did they crucify him, but it appeared to them so and most surely those who differ therein are only in a doubt about it; they have no knowledge respecting it, but only follow a conjecture, and they surely killed him not, for sure.

The Koran rejects the historic record that Jesus was Crucified. So, as you can see, there can be no compromise between Christianity and Islam.

The Koran says this about us infidels:

Slay them wherever ye find them and drive them out of the places whence they drove you out, for persecution is worse than slaughter. - 2:191

So, as you can plainly see, Islam is a very peaceful religion as long as you are Islamic.

Have you ever wondered - is the phrase Muslim-American an oxymoron? Have ever wondered, "Can a Muslim truly be a patriotic American, or even a heaven bound saint? This question was proposed to a man who lived and worked in Saudi Arabia for 20 years. Here is his reply:

Theologically, no. because his allegiance is to Allah, the moon god of Arabia.

Religiously, no. Because no other religion is accepted by his Allah except Islam. (Koran 2:256)

Scripturally, no. Because his allegiance is to the five pillars of Islam and the Quran (Koran).

Geographically, no. Because his allegiance is to Mecca, to which he turns in prayer five times a day.

Socially, no. Because his allegiance to Islam forbids him to make friends with Christians or Jews.

Politically, no. Because he must submit to the mullah (their spiritual leaders), who teach annihilation of Israel and destruction of America, the great Satan.

Domestically, no. Because he is instructed to marry four women and beat and scourge his wife when she disobeys him (Koran 4:34).

Intellectually, no. Because he cannot accept the American Constitution since it is based on Biblical principles and he believes the Bible to be corrupt.

Philosophically, no. Because Islam, Muhammad, and the Quran do not allow freedom of religion and expression. Democracy and Islam cannot co-exist. Every Muslim government is

either dictatorial or autocratic.

Spiritually, no. Because when we declare “one nation under God,” the Christian’s God is loving and kind, while Allah is NEVER referred to as heavenly father; nor is he ever called “love” in the Quran’s 99 excellent names.

Therefore after much study and deliberation .... perhaps we should be very suspicious of all Muslims in this country. They obviously cannot be both “good” Muslims and good Americans. Call it what you wish..... it’s still the truth!”

Again, I’m not saying that every “so-called” Muslim is a terrorist, but I am saying that if a Muslim actually practices what his god and holy book tell him to, he will be a terrorist.

Jesus Christ is a God of love and compassion - the god of Islam, “Allah”, is a god of war and hate. The bottom line is, Islam is Satan, Muhammad is in hell, and every Muslim that dies worshipping Allah and not Jesus Christ will have to follow him. Please, reconsider your beliefs in the Pagan god Allah and come to the true God of love.
